I enjoy learning German with Lucas, he makes it fun and easy to start, nothing complicated, just everyday talk that you would normally use and very little grammar, hooray. 10 German lessons for total beginners and 24 German grammar lessons for advanced learners are complemented by numerous interactive German language exercises, an introduction to new German language orthography and 2 online German language tests to improve and to evaluate your German language proficiency. We are keeping busy at home by either working from home, home-schooling our children, and perhaps even taking up a new hobby. I will however guide you into pronouncing words so well that when people want to learn German they will come to you for guidance. Visit German Online Interactive for extensive resources to audio, video, graphics, and text files for German language, culture and literature. You get fluent that fast because you study German using funny audio stories and a very special technique, and you only need about 10-20 minutes a day. Unfortunately, many German courses don't teach that. I will teach you in an easy and natural way that you can integrate in your daily routine without carving out extra time. You will not only learn German online, but you will also learn it fast and in a code-collecting fun-filled adventure. Now click below and I'll also show you practically why it is the best. This is because you may know all the rules and cases, but what benefit is it if you get stuck when you start speaking? This means that you will be up and speaking while the learners that you started out with are still trying to figure out grammar or the cases. ~ Ian McCaughey Firstly, you receive a uniquely designed method to learn German fast. Which means you just need 10 minutes a day to practice. Especially if it's free! There are a great many e-learning programs, games, apps and other tools that can help you accomplish just that. This will introduce you to my method and you won't have to spend anything to experience learning with a difference. Now let me introduce you to my language course one step at a time: Before you ask - no, I'm not the good looking guy in the picture. Great for teachers! Apr 8, 2020 - So German Team The COVID-19 pandemic has changed our lives and many of us are spending significantly more time at home. You have a chance to start speaking in 6 - 8 months (87% of my students have done it) You will learn in an easy and natural way that will teach you the word melody, emphasis and tone so you can speak like a native There are no tests and you will never have to memorize any rules by heart. If you would like to add learning a new language to your list of activities - why not learn German? So, if you are interested in more lessons about casual German speaking and regular everyday speaking, then check it out. I know this because 87% of my students become fluent in 6-8 months. And most importantly, when you learn German online free for beginners, you normally download texts, audio files and even videos, but these materials don't give you an opportunity to speak. Simply put, Lucas' course is the best German for learners. Welcome to Learn German Easily! I bet you do, and yes, you've come to the right place. In short, you will be very popular when it comes to the German language. TAKE THE CHALLENGE FOR FREE! I bought Lucas' program a few months ago and cannot recommend it enough! I have already learned more in the few months using his lessons than years of doing it on my own. And I won't just teach you to speak. He had told me it would take about 8 months, but after 6 months I was speaking with so much ease. Secondly, you also get a method that helps your brain to store words permanently so that you remember them each time you speak....because knowing a language but you can't speak right feels a lot like this: Thirdly, my special method is easy and interactive so that instead of learning grammar rules, you will learn grammar naturally. It's just the best way to learn German SIGN UP FOR THE FREE ONLINE GERMAN LANGUAGE COURSE If you are not looking for learning material for beginners, but for advanced learners, then visit my Website Leicht-Deutsch-Lernen. (this is difficult and it never works) You just need 10 minutes a day to start speaking fluently in about 8 months You can give my full German language course a test-drive by signing up for my free email course, and you will start learning immediately. Learn German! For free! Learning German online has never been easier. It's about understanding the language's soundscape, intonation and melody, which is the rhythm in which the words are pronounced. Here is our curated list of your options, all at no charge. Want to broaden your horizons in times of social distancing? I couldn't believe it. You can only become fluent if you start thinking in the German language, and in my course, I will show you exactly how to do that and how to learn German fast. As we conclude, I have explained theoretically why my free German language course is the best way to learn German. And you will also get to download an entire lesson set once you complete the challenge! You will need to collect codes which I will guide you on how to find them, and this is what makes your learning a fun-filled adventure. Who wants to learn online with no fun? It's also about putting the right weight and emphasis on certain syllables, which is the art of speaking like a native. It's like running a 100km ultra marathon through mud. Instead, they claim to be able to teach you how to learn the German language in 30 days, which is not possible. Thanks so much! ~ Hayden Calway One more thing to note is that my free online German language course is focused on how to speak. For example, you don't have to memorize the correct German article for every noun, gradually you will automatically use the right article. It is free and I will take you through a special program called the 7-Rule-Challenge. And I'll teach you how to learn German on your own so that you don't need an expensive language course or private teacher. You will see that by the end of the challenge you will have learned more in 7 days than you would in a month of using other methods. ~ Steve Rooke There is another aspect to my course, but for you to know what it is you need to take my German email course. With my method, you learn naturally through a simulated conversation, so that you speak and then receive corrective feedback from my audio files. My learning materials not only contain lessons for beginners, in which you learn, for example, how to pronounce the German umlauts correctly, but also lessons for advanced learners. This is someone trying to learn German by reading and memorizing grammar rules by heart. The German language learning experience is fascinating and fun with my method.
